

The image features a golden background with intricate, wavy, concentric lines that create a sense of depth and movement. The lines are more densely packed in some areas, creating a textured effect. In the center, the text "AL AMIN" is written in a large, bold, serif font, with "GROUP" in a smaller, similar font directly below it. The overall aesthetic is elegant and professional.

**AL AMIN**  
GROUP

It was established in 1992, in the district of Zakho in Dohuk Governorate, Kurdistan Region of Iraq. Initially it was founded by its first company called Gaziantep Company under the licenses number 17. Al-Amin group, works in four main sectors (commercial, industrial, tourism, and agricultural) and has continued to expand its business in all four sectors since the day of its establishment until now by opening branches in all cities of Iraq.

This group dedicates efforts to promote innovation and development in new approaches for a better-developed future in the practice of business, particularly in their own country. Therefore, the group has become a pioneer and a registered trademark in this development and innovation in all its four fields.
